

the Allworx Story

Formed by Eastman Kodak top design engineers – late 1990's

- branched off to develop new products in 1998
- Set out to design a VoIP Next Generation IP-PBX
- Launched Allworx System in 2002

Allworx is not yet a household name! (but then neither was Google a few years ago)

- Sold 50,000 systems in the past 3 years
- Currently the fastest selling Pure IP system being sold to SMB market.
